**To: Contract P&C Agents writing business in TX and LA**

Property Underwriting Alert: TROPICAL STORM **EDOUARD**

**Edouard is expected to make landfall in the upper coast of Texas to southwest Louisiana on Tuesday morning. It is moving west near 8 mph. Forecasters inform that the warm waters of the Gulf provide the right conditions for the storm to intensify and approach hurricane strength with winds of 75 mph or more.**

**No new property business, increased limits or additional locations may be bound with wind coverage in all counties within 250 miles of the Gulf Coast of Texas and Louisiana.**

*This includes Contract Property, Specialty Property, Inland Marine, Transportation and Garagekeepers: Direct Primary, Dealers Physical Damage or Scheduled Auto Physical Damage coverage.*

This moratorium remains in effect until further notice. We remind you to refer to your underwriting manual which states:

### **Hurricane Season Underwriting Guidelines**

No new business or increased amount of insurance shall be bound or written when a hurricane or tropical storm is within the coordinates of 20 N degrees latitude and 70 W degrees longitude and for the Gulf States when a hurricane is in the Gulf of Mexico or if a hurricane is within 200 miles of land for any location.
